About Novi Sad

Novi Sad is the capital of Vojvodina, the northern province of Serbia.
People also call it “Serbian Athens” because of its rich tradition and culture.
Novi Sad is seated on the left bank of the Danube river.

On the opposite, right side, there is the central and the most known symbol of
the town, Petrovaradin Fortress, which is one of the largest fortresses in Europe
and the place where the best major European music festival -EXIT- is being held.
The town of Sremski Karlovci, close to Novi Sad, is one of the most important
historical centers, since it was the seat of Orthodox spirituality, cultural and
political life of Serbian people living in the Habsburg monarchy.

The heart of Novi Sad is called the Old town and it is seated in the pedestrian
