INVITATION

Dear Kolping Youth of Europe!

We would like to kindly invite you to participate in the annual **72 hours campaign** of Kolping Youth Europe which is going to take place in Timișoara, Romania, from 18th to 21st April 2024. The campaign is about making "the world a little better" in 72 hours in frame of organising a social project. The topic of the campaign in Timișoara will be working with disabled children. As part of the program the participants will also visit a home for children with disabilities.

Within this event, we will also meet for our Continental Conference (which replaces the previously held Membership Meetings due to the adoption of our new statutes).

We are very happy to organize the event at the same time as the **Continental Assembly** of Kolping Europe, which gives us a great opportunity to spend time together and share our learnings from the **72-hour campaign**.

Participants: Up to two representatives of the Kolping Youth from each European country
Language: English

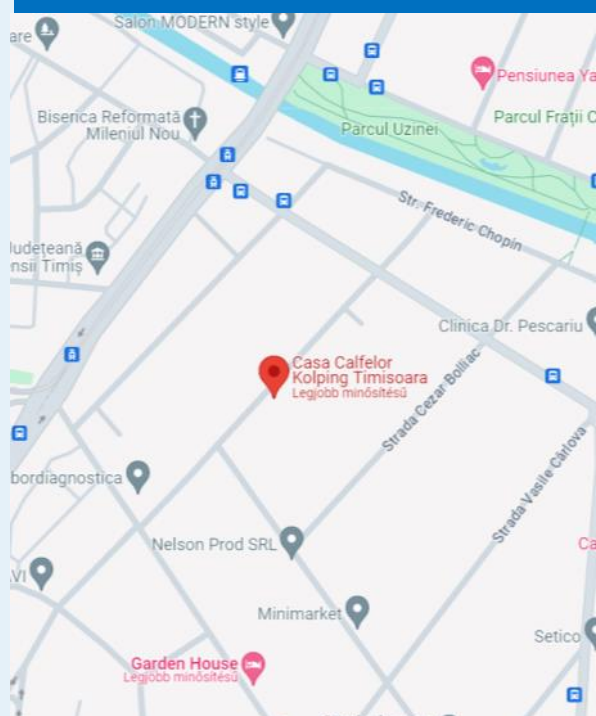

Please fill out the following Google form **until 16.03.2024**:
